

Revolution Revisited (continued from front page)

stated, "The bank hath benefit of interest on all monies which it creates out of nothing." This is what the U.S. Federal Reserve has been doing since 1913. International bankers control a nation's money system, while letting it appear that it is controlled by the government. **Their working formula is both successful and profitable for them: Create money out of nothing, lend it to the government, and then collect interest on it. EVIL!**

Napoleon makes it clearer—"When a government is dependent upon bankers for money, *they* and *not the leaders of the government* control the situation, since the hand that *gives* is above the hand that *takes*. Money has no motherland; financiers are without patriotism and without decency; their sole object is gain."

The monstrous evil of globalist control of the economy, of industry and of military seems about to burst into catastrophe! Like 9/11 this process has been through **controlled demolition!** Yet, *individuals* do **controlled demolition** of their own lives by not serving the Lord. And when man demands control, then things get *OUT* of control! This is no time for a false sense of *security!* World enslavement is made possible when nations and their citizens *put* and *keep* Jesus Christ off their throne.

Jesus said that "the deceitfulness of riches," AND "the desires of other things" can choke God's Truth from our hearts. But Jesus also said that if He sets us free, we are free indeed! The greatest freedom for any person or nation is freedom from evil in the heart and from the guilt and power of sin. Turning from sin would bring **Revival** to our nation and people, and that would be a **Revolution**.

**THE TIME FOR A NEW
REVOLUTION IS NOW!**

RETRIBUTION REVISITED! Retribution means justice. The Bible says that **EVERY** person must give an account to God, & that our life's record-book will be open before God on that Great Day. The International bankers mentioned in this issue may be "BIG" sinners, yet **ALL** sinners—big & small—will be there. The question is: Is **YOUR** name written in the Book of Life... **NOT** according to your opinions, but according to God's Way? You should know the answer **now**, & you can, by God's mercy! If you are right with God... keep your accounts up-to-date!

OK, international bankers have planned one-world government for generations, **but Adam and Eve were not bankers!** It appears all they did was to eat a bit of fruit. "What's wrong with *that!*?" Well, God had said "Don't, or such and such will happen." We get ourselves in trouble and confusion by rationalising regarding things God has made rather clear and obvious...sometimes **VERY** clear and obvious!

Using irrelevant comparisons, people end up falsely believing they are acceptable to God as they are. Certainly, I may *come* to God, as the old song says, "**Just As I Am.**" However, God doesn't leave me the way He finds me! Are you seeking to meet God's requirements and approval? Those who truly desire God's blessing will admit the rightness of God's truth in relation to themselves, and then whole-heartedly seek to obey it.

The two sons of Adam and Eve were not bankers, either, nor were they living in an over-populated world, nor *this* nor, *that*— **but STILL,** Cain killed his brother, Abel! Why? Sin in the human heart, for sin is **bonkers**...a real killer. This is why God says, "*and sin, when it is finished, brings forth death*" (James 1:15). Either you finish with sin, or sin will be sure to finish with **YOU** ...forever and ever.

SIN IS BONKERS: Nero fiddled while Rome burned. Babylon's last king partied the night the kingdom was invaded and he was killed. Britain and the world are in chaos and seemingly helpless, yet Britain is sleeping!!!

We MUST get back to God—NOW!

REVOLUTION REVISITED

"From the love of money
all sorts of evil arise"

(1 Timothy 6:10)

Gabriel L. Mancino

4 July, 1776

Benjamin Franklin, pictured on the front of an American \$100 bill, stated that the main cause of the Revolutionary War (1775-83) was this: The American colonists were being forced by King George III to abandon the *interest-free* money the colonists had printed, and use of the money from the central bank here in England...**at interest!** But did that awful war for liberty and independence *really* end? I don't think so.

Man's pre-eminent War is spiritual, yet the world's worst *human* "enemies" are almost as unseen as Satan himself! **National and global miseries** have been being created and/or sustained by the same earthly enemies (i.e. central banks "money lenders") that Franklin said had chiefly caused the War of Independence.

When the U.S. Federal Reserve was slyly and swiftly voted into existence in 1913, *while most members of Congress were away celebrating Christmas with*

family, Americans became slaves *again* to the International bankers which have

tried to enslave them with debt-money through the 1700s-1800s. The Federal Reserve monster has helped to enslave the planet, and is perhaps the world's largest, privately-owned corporation; *not being a branch of the U.S. government!*

For over 200 years, world leaders warned—courageously and publicly protesting and exposing the danger from such groups. **There IS clearly a struggle for world control.** Using secret, corrupt, deceptive, oppressive or violent means, they are *obviously* not "Christ-like," nor a blessing from God. In the Bible (Psalm 2), God exposes the conspiring world leaders, foolishly plotting against Him. Though "the common people" may not be in position of power like these groups, yet if we do not truly love and obey God, we are just as foolish as these power-mongers, and will face the same Judgment. These "big guys" try to kick God out of the world, but "little guys" do somewhat the same, trying to bar God from "controlling their personal lives."

William Patterson obtained the charter of the Bank of England in 1694, and the power of England's money system fell into private hands. Patterson

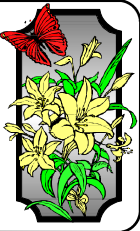

(continued on back page)

Ford founder, HENRY FORD, said long ago: "It is well enough that people of the nation (USA) do not understand our banking and monetary system, for if they did, I believe there would be **A REVOLUTION** before tomorrow morning." His words related to the International bankers' control of the nations and the government, and he said the people were ignorant of the deception and the enormous danger. Yet I see that today, the masses are utterly asleep to the greatest danger of all: facing God unprepared. **There must be a REVOLUTION against sin in our own lives. REVOLT NOW!**

The Garden of Eden...

REDEVELOPED

Gabriel L. Mancino

Satan usually has a counterfeit of God's good ways. Therefore, he tries to pervert everything he can, as much as he can. Yet, if Satan can more-assuredly damn you by making you "not too bad," then he will not dump you into sin's "gutters." Instead, he will take you to Hell by some path of Prettyism, for I am sure Hell has a special section for those who think themselves "not too bad."

Adam lost Eden's Paradise, but in the book of Revelation at the end of the Bible, we see Paradise restored. When that portrayal becomes a reality, we will have a new Eden, but no Devil to mess it up again! Thank God. Prior to this happening, God will renovate this present, sin-blighted world. Unless we make personal holiness a priority in our lives now, we shall not enjoy God's new world in eternity.

Eden had a river which broke up into four heads, with geographical indication of where it was. Egypt's great River Nile gives us another example of Satan's counterfeit in the lives of us humans. Egypt's Pharaoh (king) claimed that he owned the Nile because he made it! The Nile apparently had almost double the branches as Eden's river. That would cater to man's pride! Babylon's great king Nebuchadnezzar felt the same regarding the great city HE built! That king had been sufficiently warned by God's prophet, Daniel, and as a result of his pride, Nebuchadnezzar went mad and literally ate grass like an ox for seven years, until he knew that GOD was the Greatest, and deserved his worship. Nebuchadnezzar

apparently learned his lesson. Praise God!

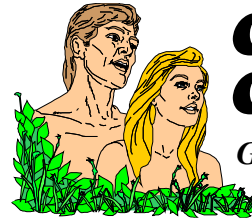

Ever since Man was evicted from Eden, he has been trying to make his own Eden elsewhere, and sometimes that "Eden" can become a real mess. Abraham's nephew looked toward the cities of Sodom and Gomorrah, and thought it looked "like the Garden of the Lord"—Eden, in other words. Sodom like Eden! Today's world is doing exactly the same.

God's wrath and judgment was poured out on Sodom, but it had already been poured out at the Tower of Babel. Yet the EU leaders use that Babel symbol in many ways, and have even built a headquarters purposely to look like it. Not content, the EU also uses the symbol of the harlot on the beast from the Bible (Rev.17), which will likewise be the object of God's wrath soon. Sodom? Babel? Where do YOU live, and who are YOUR mates? It appears that the world is trying to "pick a fight" with God. How foolish...and futile.

Though God is being purposely provoked, He has responded in love and patience. Man turned Eden into a place of broken hearts. The Bible tells of those who turn a land from a Garden of Eden to a desolate wilderness. Sin does that. Thankfully, God promised to reverse that order, even during our lifetime! The Bible says: "He will make her wilderness like Eden; her desert like the garden of the Lord...so they will say, "This land that was desolate has become like the Garden of the Lord!" And, "Then the nations which are left all around you shall know that I, the LORD, have rebuilt the ruined places and planted what was desolate. I, the LORD, have spoken it, and I will do it." LET HIM!

Don't be fooled by counterfeiting architects of a New World Order, for they are turning this world into a desolate wilderness, which is earmarked for God's wrath. God's New "Garden of Eden" is coming, and I have chosen HIS New World Order, which is flawless, fair and forever! Will you choose it, too?

"THE RIVER OF GOD IS FULL OF WATER!" (Ps. 65:9) Jesus promised, "If anyone thirsts, let him come to Me and drink. He who believes in Me...out of his inmost being shall flow rivers of living water!" (Jn.7:37,38). A woman had already tasted, drank deeply and was totally satisfied...and so was her whole town!! (see Jn. 4). God promised, "I will pour water on him that is thirsty, and floods upon the dry ground" (Isa.44:3). Again Jesus said, "Blessed are they that do hunger and thirst for righteousness, for they shall be filled!"(Matt.5:6).

Constant Cover-up

Gabriel L. Mancino

Adam and Eve's "Fall" into sin was through believing Satan over God. The step of disobedience followed the step of unbelief. One thing often leads to another. But that principle can work for good, too, for one GOOD step can lead to another! Perhaps Eve placed herself in harm's way by getting too close to the danger area. Sin entices people to mess around too near the edge. If ever there are foolish gambles taken, it is on the side of sin. They are the most foolish gambles of all.

That fallen couple started the ball rolling of perfecting the art of cover-up. This technological age has not made man's ability to hide from God any more efficient than the ability of that original pair. God still calls "Where are you?" as He did to Adam. The fig-leaves were insufficient to cover the sin-stripped couple, for "there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account" (Heb. 4:13).

The final world-empire, foretold by God in the Bible is now trying to take this world back to Dark Ages serfdom. "Not bad," you say? What would it take for you to stop saying, "Not bad"? Where do you draw the line, when enough is enough? When do self-abusers of any sort ever get enough? Or those who lust for money get enough? Or celebrities, football players, wasters of time, etc. ever get enough? The evil, one-world manipulators will never be able to cover-up sufficiently to hide from God... but neither will any of us!

Let's Hide IN God
Rather Than FROM God

NOAH FOUND GRACE IN THE EYES OF THE LORD! Noah lived with his family in a very evil world, which was warned, then destroyed. Jesus said that before His second coming, the world will be "as the days of Noah." But Noah found grace, mercy, favour...& we can, too. The Bible says that BY FAITH...not because he saw anything, Noah acted, built & survived! St. Peter says that Noah was also "a preacher of righteousness," meaning Noah tried to save others—not just his own family. If we find God's grace, we also seek to save others.

Noah's Day

"As it was in the days of Noah, so shall it be in the days of the coming of the Son of Man."

(Matthew 24:37-39)

...and the "elephant" is charging at us!

Gabriel L. Mancino

"Elephant's never forget." Perhaps we should ask their advice, for humans "dwell in the land of forgetfulness," as one teacher told me. Elephants boarded Noah's Ark, so if we could get them on the witness stand, we might win this case. Their legendary memory might convince the most stubborn mind! Young dinosaurs also might have been on the Ark, but since they are now extinct, we can not seek their testimony.

No, the problem is deeper. The best evidence cannot convince one who wilfully rejects that evidence, nor convince "bought" or biased judges. Jesus gave an unavoidable principle— "If they will not believe Moses and the prophets, neither will they believe if one rose from the dead!" Did you notice Jesus used the word, "will"? The will is often more powerful than the mere mental ability, so that even the most disadvantaged may receive the benefit of the evidence. However, as the Bible says, if the response is simply and wilfully to reject the information, the outcome is like the best of doctors admitting, "I'm sorry, there's nothing I can do."

Three enormous facts call loudly and lovingly to us: 1) Unimaginable trouble will hit this world perhaps very soon. 2) Jesus Christ's Second Coming seems extremely close. 3) We cannot stop either of the above.

Plants and animals, like humans, are living organisms, yet Man's key distinctive makes the implications of supreme importance. Each human being must face God, and give an account to "the Judge of all the earth." Each of us will help populate one of two places forever in eternity, and it's your choice.

Jesus said of Noah's day, "and they did not know until the Flood came, and took them all away." Even donkeys were taken onto the Ark, but stubborn human donkeys must first forsake their pride. Don't Forget!
