past, say, 250 years. However, there appears to be compelling evidence that a small circle of International Banking elites has been funding, often *both sides of the conflict* in wars in Europe and elsewhere, at least since the early 1800s. War gains them the most profits. Industries are tied to and under the control of this long-standing Mafia. This is the world's worst crime cartel! You may get some insight in this by reviewing the speeches (it's in booklet form, too) by U. S. Major General Smedley Darlington Butler, called **War Is A Racket**. He was amazing! A man impersonating Butler on Youtube does a good job giving the speech, but go read Butler's words for yourself. On our website, under "Articles," find my 33 page booklet called **"THESE TIMES—West Virginian On The First Black President"** where you will see links to Butler (p.3). My booklet is **not racist at all, and hardly even refers to Obama**. You will see! Also see a link there (p.14) to a powerful historical documentary, **The Money Masters** (3 1/2 hrs). It's worth it!

**Let me speak more about nationalism.** For generations, there has been a steadily ongoing strategy toward a one-world government. I can rightly speak against it as being evil. They are atheistic, deceitful, arrogant... Wait! Their arrogance is blended with *partial* atheism, because they think **THEY** are God—Some of them have stated for years that they want to reduce the world population by 90%, leaving only 10%. Guess who gets to select who dies? Mass-population reduction and possibly the hand/head **chip** are foretold in the Bible.

These megalomaniacs appear ready to make **Hitler, Stalin and Mao**, look like child's play—**AND**, since this "Illuminati" knows that many people are "waking up," to their evil plan, they may very well speed

up the process, perhaps with more phoney self-made crises like 9/11, this financial crisis, the swine flu, etc—only far worse, to scare, control and quickly pass "crisis laws." See what is happening right now in America and the world by watching on YouTube (2 hrs. 23min) **THE FALL OF THE REPUBLIC—The Presidency of Barack H. Obama** <http://www.youtube.com/watch?v=VebOTc-7shU> The video may load slowly, but be patient and watch it to the end.

**It doesn't matter so much where you come from, as where you are going.** We are **ALL** heading for eternity, which has only two destinations: Heaven and Hell. "God casts one vote *for* you...the devil casts one vote *against* you... and you cast the deciding vote." So, what shall it be?

**Please study my article "THESE TIMES,"** (on our website) for you will find much information relating to this world-wide evil plan, and I provided many links, as well. I wrote it from an American view, yet the evil plan I expose involves the whole world and each individual. In that booklet/article are quotes of both *good* men and *evil* men regarding this subject.

We are living in tremendous times; times of *great* opportunity for the *greatest* motives—perfect love to God and man. **"A world at its worst needs people at their best."** We may only be at our best when we are most like God. If you want to know what God is like, look at Jesus Christ.

**Pay attention to the things that matter most! Things are keeping people distracted. Stay awake! Some lads where we used to live covered the overly-sensitive smoke alarm with a Styro-foam cup to keep it quiet... and nearly died. I never saw so much smoke in a room, but the fellow was asleep! What about YOU... spiritually? Don't cover God's alarm! Smoke is everywhere!**

**Time...Time...Time...Time...Time...Time...Time...Time...Time...Time...**

**God wants our minds alert, our attention focused & our willpower fastened... NOT upon the passing things of this present world, but upon the true riches—the treasures which God Himself has provided for each & every one of us. Since Man's "Fall" in Eden, history's highway has been littered with the bones of those who traded never-fading riches for those innumerable attractions that are fleeting filth, fantasy and foolishness. Time & eternity— What a contrast!**

## MY Nation!

Globalists want to own and control it, but GOD wants to purify and use it to bless the entire world!

**Nationalism has been in the news— thanks to the BNP and the BBC.** Remembrance Day, Nov. 11, also brings back a sense of nationalism. The British patriotic song, **I Vow To Thee, My Country**, was written in 1908 and put to music in 1921 by Gustav Holst, but it is argued that the song calls for unquestioned loyalty to one's country, right or wrong.

I understand that a **Prussian officer** went to America to help organise and train the "rag-tag" militia during the War of Independence in the 1770s. He apparently wrote to a fellow officer back in Europe describing **"the genius of the Americans"** saying in effect, "When you tell your soldiers to do something, they do it without questioning. With the Americans, you must first explain **WHY**, and **THEN**

they will do it!" I believe American soldiering changed since then.

I love the last stanza of the song previously mentioned. Describing our faithful allegiance to the better, heavenly "country," it says by way of comparison as follows:

*We may not count her armies,  
we may not see her King;  
Her fortress is a faithful heart,  
her pride is suffering;*

*And soul by soul and silently  
her shining bounds increase,*

*"And her ways are ways of gentleness,  
and all her paths are peace."*

That last line with quote marks is taken from Proverbs 3:17 in the Bible.

If we come to God, and truly love and obey Him, then we are **"citizens of another country,"** whatever nation on earth we come from. This is what is meant and emphasized in such Bible verses as Phil. 3:20, and that section of "The Faith Chapter" (Heb.11) that tells of Abraham, his wife and others (verses 8-16, but especially 13-16). **This does not mean that we should neglect or not defend our country from genuine aggression.**

It is impossible in this little paper to give a historical panorama regarding wars in the

**IMMIGRATION is a tool being used to destabilise Britain and America. Google "Immigration Gumballs YouTube." Spend 10 min. to see this video (suited man on stage with an audience of various ages and races). Though filmed in America, the principles apply. But immigration is only ONE among other elitist "tools" of national destabilisation. God never intends nations to neglect others... inside or outside their own country. Government without honour OF and obedience TO the true God is doomed to destruction— "The wicked shall be turned into Hell, and all nations that forget God" (Ps. 9:17). It is the central glory of any nation to show the love of God to others, not invade and enslave them, and rape their resources.**

say that Jews changed the Old Testament and the Roman Catholic Church changed the New Testament. Look, if I was an evil person and had access to a document that made me look bad, I would change it to make me look good! If the Jews and the RCC changed the Bible, they did a bad job, for it still says they must all repent or go to Hell—including the Pope and the Chief Rabbi. We all must come to

God had a perfect and pure plan for the human family. That plan was very slowly revealed during the thousands of years of Old Testament history through His prophets. Hebrews chapter 1 shows this clearly and concisely, and adds that the “full unveiling” of God’s Plan came to its intended crescendo in Jesus Christ, the long-promised Messiah-Saviour. *And, remember,* God only promised ONE Messiah...ONE Saviour, and that’s the One whose birth is especially remembered at Christmas time. Praise Him!

God’s desire is to unite all people to each other by uniting them to Himself... NOT by making us one with “Nature!” **Hey, even nature is sick of man’s sin—read it!** Rom. 8:22 says “For we know that the whole of Creation is groaning together in the pains of childbirth until this hour.” Many of the nature-worshipping, one-world government people blame man’s “carbon footprint” for the world’s sad condition, so they want to tax you to breathe until they exterminate 90% of the population. See **The Fall of the Republic** (back page). That documentary also exposes people like the lying madman, Al Gore.

Jeremiah the prophet agrees with Rom.8:22 above, saying in God’s behalf, “They have made it desolate; desolate, it mourns to Me; the whole land is made desolate, because no one takes it to heart” Jer. 12:11. You see, this earth is in a catastrophe because man doesn’t take God seriously, doesn’t believe God’s assessment of man’s true sinful condition nor God’s provision for man’s cure.

**Yes, God desires to unite mankind.** These globalists wish to unite us, too...but in abject slavery to *them!* I’m not joking. There are certain people and groups that expose this globalist agenda that claim that religion is part of the cancer. Some of them

God according to His declared Way, through the Saviour-Messiah He promised, or else. Don’t worry, God will be fair to any who have never heard the Gospel or the name of Jesus. Most of the problem is that people who *DO KNOW*, refuse to mind God, and refuse to reach out to others, with Christ-filled urgency.

**Why are people so hard-headed and hard-hearted?** The corruption of sin breaks out in various ways, like symptoms of sickness do—some have *this* symptom; others *that* symptom, but all sick... sick from head to foot (see Isa. 1:4-6). In view of such sickness, Jeremiah asks “Is there no balm in Gilead, Is there no physician there? Why then is there no recovery for the health of the daughter of my people?” (8:22). Often, man’s problem is his head, but not always. Too many times the problem is nothing less than sin of the heart. Many prejudices arise from hatred from within the heart. The fanatic Saul of Tarsus, later to become St. Paul, would have killed all the Christians if he could. Hate! St. Peter, even after Pentecost, had some clumsy prejudices of his head that nearly made him miss God’s “introductory offer” of reaching out to others *outside* the Jews (see Acts 10).

If the people of London would clear their hearts of all sin and worldliness, and ask God to help them clear their heads of prejudices that actually oppose God’s will and way, then there is no end to what God could do in rescuing souls from every nation on earth...and it can start here and now! God can purify and unite London’s people to be blazing, shining witnesses for Him. Jesus powerfully prayed for this priority: True holiness uniting people in God-approved ways and for their own best interests, thereby making them convincing proofs of God’s existence and love (see John 17). **LET GOD BLEND & UNITE US!**

# God’s Soldiers

TRUE PRAYER:  
A MIGHTY WEAPON!  
Gabriel Mancino

It appears that, **under false pretences and approaching young children** like a wolf in sheep’s clothing, Mr. Obama is beginning to create a type of *second military* comprised of youth. This tactic seems to copy Hitler and other tyrants. See this in The Fall of the Republic documentary (back page).

**Definitely, the Bible shows God making “soldiers” of people from every country,** even equipping them (see Eph. 6:11-20) with full body armour (except for the back, meaning you are not supposed to be a coward and run!). We are also encouraged to “endure hardship, as a good soldier of Jesus Christ” (2 Tim.2:3,4). **God takes people and turns them into His soldiers of love.** If you think a soldier of love is sissified, then look at Jesus... the *REAL* Jesus in the Bible, not the distorted and mocked Christ of modern days.

**God took a Syrian General,** humbled him, and turned him into a joyous worshipper of the true and living God (2 Kings 5). **God also brought the greatest king of the Babylonian Empire** away from idolatry to true worship. God first had to make him eat grass like an ox for 7 years until the king admitted his stupidity and pride (Read Daniel 4, but read 2 and 3 also).

Unlike the shameful history of a per-

verted Christianity which invaded and tortured people, God’s soldiers fight His battles without “*carnal weapons*” (2 Cor. 10: 3-6). Those weapons are described as sufficient to defeat the enemies of truth and righteousness. Those God-given weapons are to be used by people who are cleansed from sin and filled with the fullness of God’s Spirit. Britain, America and the rest of the world (**including your country!**) are sick and ready to be swallowed up by globalist parasites. BUT, this is because of the lack of “soldiers” who are filled with holiness and power, rather than rage, riot or mere religion or rationale. Brains alone will burst against enemies, like bubbles against a brick wall.

**Cornelius was an Italian “Captain” in command of 100 men** (Acts 10). God saw and accepted the genuine worship of this man whose spiritual light was limited. As Abraham said thousands of years before, “*The Judge of all the earth shall do right!*” (Gen. 18:25). God gives additional “light” to such people, for He knows they will “*walk in the light*” (see 1 Jn.1:7).

We learn tremendous lessons from the interaction of God with Peter and Cornelius. **One lesson is impossible to exaggerate in specific application to London**—that is, if individuals in this international society all over the city will completely mind God, there is no limit to what God could do in rescuing souls from sin and Hell, and transforming them into His soldiers, full of holiness, truth and spiritual power. This would then result in a lifting of society in every corner; at every level! **Be a soldier in the Lord’s army!**

We meet at Christ Church on the corner of Brent Street and Heriot Road in Hendon (NW4) at 5:45 pm Sundays. Nearest Tube: Hendon Central.

## THE 21st CENTURY GUY FAWKES (It’s not Bin Laden)

“A Penny for the Guy?!” Ha! Globalist elites seem about to finalise the enslavement and control of the world—a plan of many generations. “*EVERY Penny*”...and every resource, in their hands! Since they have actually been the perpetrators of evil and catastrophes world-wide, having long-ago taken control of nations like Britain and America, **they should be brought to justice immediately.** They WILL give account to God. Though their agents are everywhere, where is the headquarters? Not in the mountains of Afghanistan, but more likely the mountains of Switzerland! (see Rev. 6: 15,16).
