

DRILL DEEP

land, yet this Gulf of Mexico drilling was deeper still. The "strata" of oil that was hit contains oil that is not the usual. From this leak is coming numerous toxins, each of which are exceeding the safe level by many hundreds...*some over a thousand times!* Not only is it polluting the water and killing sea life, the gases are airborne and are effecting many people near the coast. It will likely progress inland. *AND*, the US Gov. has forbidden the affected states from helping; *WHY?!* **Google: Alex Jones Lindsey Williams BP Spill** (interview/9 short parts).

Will this Gulf of Mexico spill effect nations on the opposite side of the oceans? Actually, *THAT* is not the question! Be sure, the people who have created various crises and "false flag" operations are not stopping with this. The screws are tightening, and we are *all* being effected. Yet, behind the scenes, *God* is watching. His clock keeps perfect time. The day is coming when we *all* must face God...including these in the highest level of the New World Order. (NWO).

So, what can we do to stop these NWO maniacs that are so determined to control the world? They seem to have plans to reduce the population by billions, and orchestrate a return it to the "Middle Ages" ("*Dark Ages*" is not PC, since it implies a value judgment!) with the *extremely* rich and *extremely* poor.

The answer is to fight fire with FIRE! or more appropriately, fight oil

"FEAR OF GOD" is not a bad thing, though it has become popular to portray God as an oppressive tyrant. Believe it or not, this world loves tyrants, and has been being psychologically prepared for the coming world tyranny. Among many Bible verses from which to select, listen to Jeremiah the prophet, where God says: "And I will give them one heart, and one way, that they may fear Me for ever, for the good of them, and of their children after them: and I will make an everlasting covenant with them, that I will not turn away from them, to do them good; but I will put my fear in their hearts, that they shall not depart from me." (Jer. 32:39-40). God will help us to obey Him. Jesus said, "If you love Me, keep My commandments" (Jn. 14:15, and compare with Jn 15:10, 1Jn. 5:2,3)...and Jesus is no tyrant! Evil tyrants, who clearly have no fear of God (Rom. 3:18; Ps 36:1), are raping the USA right now, and "it is coming to a cinema near you," meaning, it may be coming this way! Did you see the documentary "GasLand" on 21 June?! Google it for a "trailer," but see the whole thing!! Friends, the BIG tyranny IS coming!

with *OIL!* What do I mean, you ask? There are certain "symbols" used in the Bible to "typify" The Holy Spirit of God... among them both fire and oil. I said that this NWO is creating all sorts of global crises with the goal of world control. These people are mad about gold and oil, while God's answer and God's plan for us is the *true gold* and the *true oil!*

For these we must **DRILL DEEP**. But, as the Bible says, we must also **DWELL DEEP!** (Jer. 49). Ancient Arabs had the habit, when in danger of imminent attack by powerful enemies, of taking down their tents, packing all belongings and loading their camels... which they could apparently do in a couple of hours...and go deep into the desert where only *they* knew where to find water and food for the animals. No enemy would follow them there.

Facing an impending world crisis is all the more reason to **DRILL DEEP and DWELL DEEP**...in the "OIL" of God's Holy Spirit. Nothing else will frustrate and counteract the evil workings of this group and their main boss (the Devil), than people all over the world *FILLED* with the Holy Spirit of God. Instead of the DEATH tool in wars, and in this Gulf of Mexico oil spill, God's flood waters seen in Ezekiel 47 were seen bringing LIFE wherever they flowed. Water is another Bible "type" of God's Spirit. The oil in the water by these wicked people is bringing death and sickness wherever it goes... and it is spreading. God does the opposite, spreading the fullest Life and Liberty.

DRILL DEEP!

*A Crisis
or a Cure?*

*It depends on who is
striking the oil!*

Gabriel Mancino

Since writing last month's paper, a new crisis further illustrates the "New World Order"

power, and the lengths to which they will go. It will be no surprise if they use **this crisis in the Gulf of Mexico** to further their programme. However, *I will use this crisis* in this article to point up the superlative alternative, and the only real cure!

Many so-called "crisis" throughout the world for generations have been done on purpose to bring "sheeple" into their cage, like cowboys do with cows. They create a crisis to scare and confuse people, then offer the "solution" to the crisis *they* created. People will sacrifice their liberty for "security," but end up losing both. **Evil Henry Kissinger**, for example, said that if

U.N. troops were seen in Los Angeles, the people would be angry. *BUT*, he continued, if there is a crisis, *real or contrived* (i.e. made up), then they will be *happy* that the U.N. troops are there.

From what I have seen, it appears that the Gulf of Mexico oil spill was purposely done or allowed to happen. Those in charge were warned repeatedly by qualified workers there that it would explode if they used the procedure they did. The media covers-up facts and the enormity of the crisis. Apparently, no nation has the technology to stop this leak, which I understand has greater pressure than any oil before. A nuclear device may be used as a means to stop or seal the leak. *BUT*, they fear that this could rupture it worse.

Just before the oil spill, Goldman Sachs dumped much of their stock in BP. It's not their first time. Google the following: **"Goldman's great timing for unloading BP stock."**

This drilling was apparently deeper than any others have gone, and it is made worse by the fact it is deep under water. Russia, as I understand, only does such drilling on

"THE LOST LIBERTY:" July 4th was USA Independence Day. At USA sports events, crowds may hear a celebrity sing the national anthem, and will shout and cheer at the end, but have no clue that the game is already over... for the country! Many blame "America" for the evils in this world, but America was taken over generations ago...and if you think Americans are dumb, America is made up of all kinds of people just like you. "The global community" is asleep...made and kept ignorant of the bigger picture and the greater issues. Much ignorance is rolled in the mouth like an addictive sweet; "loving it!" We had ALL better get rid of ALL sin in our lives (including "religious" people of all sorts!) and allow God to make us clean, useable instruments in His hands.

FIBBER-FAITH'S FINALE

Gabriel L. Mancino

A "fib" is a **lie**. To *fib* means to **lie**. A "fibber" is a **liar**. Opposite of such a course is to be on the path of **truth**; utterly committed to it. The word "**love**," sometimes considered "the arch-emotion," has various meanings and connections. We know that "**love**" can be distorted, for the world is full of the evidence. Likewise, "**truth**" is both *shrouded* and *clouded*, leaving people in the fog... too often the fog they want! Many see **truth**, but try to avoid it.

What happens to us and in us if we deceive ourselves? The effect of self-deception, even from a *human nature* standpoint, can be serious. But when that self-deception relates to one's spiritual life and eternal destiny, the consequences awaiting are both *frightening* and *final*.

Let's consider those three words above: **lie**, **truth** and **love**. An arresting Bible passage shows the consequence of self-deception. Breaking into the long sentence, it reads: "10) *and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved.* 11) *And for this cause God shall send them strong delusion, that they should believe a lie:* 12) *That they all might be damned who believed not the truth, but had pleasure in unrighteousness*" (2 Thess. 2:10-12).

Regarding the above "passage" from the Bible, note: 1) you should read the whole context. 2) "**damned**" (from the King James Version) in verse 12 more appropriately means *judged* or *condemned*, and not *damned* as we think of in the eternal

damnation of the lost in hell. However, if a person neglects or refuses to adjust their spiritual condition, while knowing the truth, then damnation will be their chosen, unavoidable and unchangeable end. This is the reason Heb.2:1-3 asks "How shall we escape, if we neglect so great salvation?" "Neglect" also means "disregard," or "are indifferent to," or "give our minds to." See similar warning in Heb.12:25-29. By the way, all people...from a common person to a queen...must mind God, or there is no escape. (see Esther 4:10-14).

A further note must be considered: 3) This or similar passages do not teach that God simply sends "delusion" in order to send people to Hell. The similar passage in Romans 1 (see v. 24) is in a context clearly showing that **these people wilfully refused to keep God in their heads or hearts** (see v. 28). **Some such people wear a thin mask of religion, but deep inside they have no such desire for God** that would motivate them to walk in full and utter obedience to God in true holiness of life. The delusion sent by God to such was simply to confirm their chosen path and desire. But, both paths...the godly and the evil...never stay static. They get better or worse, until they land their "carrier" on the shores of the destination their choices have been taking them. You can compare such Bible verses with others, such as Eph. 4:18,19 and Acts 7:42,43.

But let's "change gears" and look at an additional picture of God in a similar passage. In Psalm 81:12, God says "So I gave them up unto the chosen desires of their own increasingly-hardened and stubborn hearts: so that they walked accordingly, in the purposes of their own evil imagination." That is a long version, using various translations. **HOWEVER**, look what comes in the very next verses! (Of course, there are **MANY** verses that show God in this way, though *some* wish to ignore or deny them.) Listen to God's

passion: "13 *Oh that my people had listened to Me, and Israel had walked in My ways!* 14 *I should soon have overcome their enemies, and turned My hand against their adversaries.*" See similar verses in Deut. 5:29; 32:29; Isa. 48:18, and Jesus' cry in Matt.23:37 and Lu.13:34. God Himself is seen pleading with mankind in verses like Ezek. 18:32 and 33:11 which, taken together, commands **ME** to tell **YOU**, in God's name and in God's behalf: "*As I live, says the Lord GOD, I have no pleasure in the death of the wicked; but that the wicked turn from his way and live. Turn, Turn from your evil ways; for why will ye die?*" Yet remember, our "turning" must be done while we live, or as Heb. 3:7, 13, 15 say, "*While today lasts, if you hear His voice, don't harden your heart nor be deceived by sin.*"

God Wasn't Stuttering

Jeremiah the prophet wrote "*O earth, earth, earth, hear the word of the Lord!*" (22:29). Similar words are found in the writing of other Bible prophets. Those verses show God passionately calling to **ALL** nations, as in Isa. 45:22 "*Look unto me, and be ye saved, all the ends of the earth.*" In Psalm 22:27 *All the ends of the world shall remember and turn to the LORD, and all the families of the nations shall worship before You.*" In Luke 13:25 Jesus' words reveal the shock of many spiritually-dead religionists who had many advantages, contrasted with outsiders who obey God and receive His salvation. "*There will be weeping and gnashing of teeth, when you see Abraham and Isaac and Jacob and all the prophets in the kingdom of God, and yourselves thrust out.* They [outsiders—"Gentiles"] *will come from the east and the west, from the north and the south, and sit down in the kingdom of God.*"

AND GOD IS NOT STUTTERING NOW when He says "**YOU ARE ALL INVITED!**" **Let's put ALL our sins away and follow God.**

The Flame of Right

Gabriel L. Mancino

The people were trying to "save the day." More specifically, they were trying to save the king's *son*... from being executed at his father's own order! That same king-father had saved the day some years before, when enemies threatened to attack. Now, that man...who had become the national leader... was the cause of prompting rebellion against his kingly authority. **London's G. Campbell Morgan**, in the 1920s commented on this passage in 1 Sam 14, telling how **the national conscience rose, and the deepest things in national life found expression**, and the king was gloriously disobeyed. He says that **deep down in the human heart there is that which understands the right**; and over and over again, under stress of circumstances, that understanding becomes active. When it does, it is invincible, sweeping aside the established rule, and doing the right. Morgan admits that "the voice of the people" is not always "the voice of God." Some years ago, I saw this once in **Hyde Park**. The protesting crowd was enormous, but at a glance looked like anarchists. I thought to myself: "These people think they can run Britain better than the government?!" **After the Day of Pentecost**, the apostles were threatened and commanded to stop preaching in the name of Jesus (Acts 4). The thing that started it was that a man who had been unable to walk for over 40 years was healed completely in the power of the name of Jesus (Acts 3). The apostles simply replied that they must tell the things they had seen and heard from God in Christ. They asked their prosecutors if they should obey *them* more than God. The Flame of the Holy Ghost arose in their hearts to do what was right. **Oh, may that mighty Flame burn across London and Britain now!**
