(from front page)

for devilish, perverted use? I pray it is not used to help trigger the **New Madrid Fault**.

One lady said she giggles every time someone tries to link earthquakes to the Bible, rather than just saying they are acts of "nature," or acts of *MAN acting upon nature* (as **HAARP** could be). I stumbled upon a 2:44 minute YouTube clip of the 1985 **James Bond** movie, **A View To A Kill**. The bad guys were about to cause an earthquake and enormous flood by pumping sea water into oil wells located in a Fault line area in order to destroy a whole economic system. The bad guys praised their cleverly disguised plot that would make **everybody think it was all caused by "nature!"**

Yes, Jesus *did* give earthquakes as one "sign" of His soon return. But add to that the fact that God's foreknowledge would include all the evil plans and actions of man against his fellow man. This is true, whether it be His "sign" of "earthquakes in diverse places," or "wars and rumours of wars." (Matt. 24).

Long before Jesus came to this world as a baby in Bethlehem, God said through the prophet, Haggai, "**Yet once more (it is a little while) I will SHAKE heaven and earth, the sea and dry land; and I will SHAKE all nations, and they shall come to the Desire of All Nations, and I will fill this temple with glory.**" (2: 6,7) Jesus Christ is the most loved and the most despised person, ever! The Bible confirms this. Man's deepest need is Christ, but Satan, sin and self instigate rebellion.

Aiding man's rebellion, and diverting "**All Nations**" away from God and Christ, one-world government strategists (including the International bankers) have the stated objective of dissolving the individual sovereignty of "**all nations**" and placing it under *their* control. One way they have been achieving this goal is by controlling the

economy of the nations. But in the very next verse in the Bible verses from Haggai (above), God declares: "*The silver is Mine, and the gold is Mine!*" (Hag. 2:8). Sorry, bankers!

Another way these people destroy national sovereignty and take control is by engineering and funding wars (at the taxpayers expense) and by creating crises and chaos within nations. Such chaos can come by various means, such as riots, academic and moral deterioration, pharmaceutical and medical means, and even national disasters. The other types of chaos within nations are *continuous* and *devastating* "earthquakes"... though of a different sort.

Jesus basically told Jewish religious leaders that they merely "paid lip service" to Moses; not having a clue what the heart of Moses' teaching was. Jesus told them "*If you believed Moses, you would believe in Me, for he wrote of Me*" (Jn. 5:46). But, like the majority of people, *then* and *now*, they rejected the *only* means of salvation that God promised throughout the ages.

God speaks! (Heb. 1:1,2). Having *just* made reference to Moses, Hebrews 12: 25, 26 then cautions us: "*See that you do not refuse Him who speaks. For if **THEY DID NOT ESCAPE** (see below) who refused him who spoke on earth, much more shall we not escape if we turn away from Him who speaks from heaven, whose voice then SHOOK the earth; but now He has promised, saying, **Yet once more I SHAKE not only the earth, but also heaven.***"

There is still wonderful news, though this world is SHAKING itself apart! The verses above continue: "*Now this, **Yet once more,** indicates the removal of those things that are being SHAKEN, as of things that are made, that the things which cannot be SHAKEN may remain. Therefore, since we are receiving a kingdom which cannot be SHAKEN, let us have grace, by which we may serve God acceptably with reverence and godly fear. For our God is a consuming fire*" (Heb. 12: 27-29). **SHAKE yourself or be SHAKEN!**

"THEY SHALL NOT ESCAPE!" Google commemorated Houdini's 137th birthday last month, but don't fool yourself or be fooled by others, whatever your success rate for "escaping" has been so far. "*For when they shall say, 'Peace and safety; then sudden destruction will come upon them, as labour pains upon a pregnant woman; and they shall not escape.'*" (1Thess. 5:3). Nobody will be able to abort this one! I think you know very well that I am not just "scaremongering." The BIGGEST coming "Tsunami," that is, the Judgement of God, will sweep every last person on earth. The dead will face it anyway, but some will be living when "it" arrives. **ARE YOU READY?**

**"BREAKING
NEWS" can be
SHAKING NEWS!**

Earthquakes were common in Turkey's ancient city, Philadelphia. Citizens commonly ran out of buildings when any quake occurred. Jesus gave His followers in that city the perfectly-suited promise, "*Those that overcome shall go no more out!*" (Rev. 3:12). Those there who *truly* walked with God would, one day, run out no longer. Heaven is a place of eternal safety!

A young girl asked my wife during a music lesson in late March, "Where are you from?" "America," she replied. "America will be hit by an earthquake next!" she declared. "Where did you hear that?" my wife enquired. "On TV last night."

This little exchange was the more stunning, as it came just after a week and a half of earthquake research. My study was prompted by an email from a friend in Brazil,

which country has experienced earthquakes, landslides, floods and previously-unheard-of tornadoes. That email told of a large quake which is feared soon in an area in central USA called **The New Madrid Fault**; also called **The Sleeping Giant**, along the Mississippi River, immediately affecting 5 states. Numerous radio and TV newscasts are confirming this. Far more area could be devastated, however, since that same area may be being weakened through that VERY suspicious and excessively-deep BP oil drilling, spill, etc...and now BP seeks to drill deep in the Gulf yet again!

The Discovery Channel once aired what the BBC evidently called an "over-hyped" documentary of a "**Mega Tsunami**" that would wipe out the entire east coast of America, where an estimated 40 million people work. **The Tsunami Society** are quoted as saying they "would like to halt the scare-mongering from these unfounded reports."

Someone mockingly compared the Discovery Channel "proof" to a **Monty Python** sketch. But they said it lacked the gigantic cartoon foot to kick the enormous land-mass into the ocean from the **Canary Island of La Palma** in order to create the Mega Tsunami. The **HAARP** installation in Alaska could possibly provide such a kick quite easily. Has Nikola Tesla's genius been hijacked

(continued on back page)

"HOW SHALL WE ESCAPE?!" If "Mega" earthquakes & tsunamis were to devastate America, some people would see it as deserved & long-overdue punishment. In great contrast, Jesus Christ deserved whole-hearted love and acceptance from us, but received horrific torture and crucifixion. Who is guiltless in this? The picture is much larger than our selective narrowing allows, but GOD draws the perimeters of the picture frame to include us all...without exception. "*How shall we escape, if we neglect so great salvation; which at the first began to be spoken by the Lord, and was confirmed unto us by them that heard him...?"* (Heb 2:3) No escape...but in HIM...on HIS terms!

The Wanted World

Gabriel L. Mancino

Psalm 67 says:

1 God be merciful to us and bless us, and cause His face to shine upon us. Selah 2 That Your way may be known on earth, Your salvation among all nations. 3 Let the peoples praise You, O God; Let all the peoples praise You. 4 Oh, let the nations be glad and sing for joy! For You shall judge the people righteously, and govern the nations on earth. Selah 5 Let the peoples praise You, O God; let all the peoples praise You. 6 Then the earth shall yield her increase; God, our own God, shall bless us. 7 God shall bless us, and all the ends of the earth shall fear Him.

King David's psalm of repentance (51) is unbelievably powerful, and starts, like this one, with a cry to God for mercy. **David needed it. We need it.** See the word "us" 3 times in verse 1 above. It's like "Lord, pour it on!"—but for a reason! Verse 2 starts with "That," meaning "in order that" or "so that." His 3-fold cry was for results, yet not a selfish one. By the way, "Selah," above means "Think of that! Let it sink in!"

In Ps. 51, David said that upon his getting truly restored to right relationship with God, **THEN** he wanted others to get right with God, as well. Similarly, we find in Ps. 67 the words "all nations...the nations (twice)...the peoples...all the peoples...the earth...all the ends of the earth!" **This man wasn't self-centred.** He knew that anyone who wants God's blessing will be a person who wants the whole world to know God and lovingly obey and reverence Him. In previous issues, I have mentioned evil, powerful, "hidden leaders" who also want the world...but for themselves; not for God.

I have read of individuals who carelessly or purposely infected others with Aids. **Aids is horrific**, yet I wish we could see how the extent, the damage, the power and the consequence of **Sin is far greater!** In the old English Bible, the word "salvation" in verse 2 above is translated "saving health!" If we want the world to be thoroughly well, **THAT**

"health" will have a Godly foundation.

The greatest productivity, as well as the greatest **health** of individuals and nations will also be based upon and sustained by a Godly foundation. Verse 6 says, "**THEN** the earth shall yield her increase!" When God is, in real practical terms, *forgotten*, then the deterioration of men and nations sets in like a cancer—corrupting the entire organism like a globe-size nuclear or oil spill, seeping and infecting everywhere. When God is truly loved and honoured, "**THEN** the earth shall yield her increase!"

I said that there are evil human powers hidden away, intent on controlling and destroying throughout this planet. Sadly, the professing church is helping them to a greater degree than it realises. By this, I mean, **not merely the groups, but the individuals** who profess a link to God. **This gets down to the personal level.**

The Bible lets us know that "if our gospel be hid, it is hid to them that are lost" (2 Cor. 4:3). "**Lost**" is also translated "perishing" or "on the road to ruin [destruction/perdition]." Yes, we believe that the end of that road is eternity in Hell. "**Hid**" means "veiled." When the Christ of the Bible is kept from people, it is the greatest and most scandalous "cover-up" the world has ever known.

The Incarnation and Crucifixion are, in one way, replayed daily. John says that when Christ came into this world, "the world did not know Him...His own did not receive Him" (Jn. 1: 10,11). What a veiling! In view of the Cross, Isaiah foretells "and we hid, as it were, our faces from Him!" (53:3). The Bible says that we may "crucify Him afresh, and put Him to open shame" (Heb. 6:6). Yet Christ Himself, looking toward the Cross, said "And if I be lifted up, I will draw ALL men to Me" (Jn. 12:32). Toward the end of Christ's earthly life, even His enemies admitted defeat, saying among themselves, "See! You are achieving nothing! Look! The world has gone after Him!" (Jn. 12:19).

"The world" is groping in darkness. Many apply **McDonald's motto** to the darkness: "**I'm Lovin' It!**" (Jn. 3: 19,20). The best hope they have is for Christ to shine to them, unhindered, through you and me. Read 2 Cor. 4:6, then 3: 17,18. **The World is Wanted...and Waiting.**

GREATER THAN The Floods!

Gabriel L. Mancino

Here is Psalm 93:

1 The LORD reigns, He is clothed with majesty; The LORD is clothed, He has girded Himself with strength. Surely the world is established, so that it cannot be moved. 2 Your throne is established from of old; You are from everlasting. 3 The floods have lifted up, O LORD, the floods have lifted up their voice; the floods lift up their waves. 4 The LORD on high is mightier than the noise of many waters, than the mighty waves of the sea. 5 Your testimonies are very sure; holiness adorns Your house, O LORD, forever.

Notice the Psalm's sharp contrast. It focuses first on God, the glorious Sovereign (1,2), then upon threats—literal or figurative (3). It then declares God's superiority over all threats (4). It ends with the trustworthiness of God's word (5a), and of the adorning holiness of God, with which He adorns everything that has to do with Him...including any human being who desires true union and communion with Him. For this reason, Peter quotes God's command "Be holy, for I am holy" (1 Pet. 1:16 from Lev. 11:44, 45; 19:2; 20:7).

The front-page article refers briefly to some predicted quakes. **Catastrophes have struck all over the world**, and increasingly in more recent times. The word "floods," above in Ps.93:3 suggest such **disasters**. I also stated the word "floods" could be applied *figuratively*, as representing something else. In that front article (but on the back page), I said that **internal upheaval within nations** is occurring in devastating manner. I said that such **calamity** may be being **created and assisted by great and organised powers** that have been working at it for generations. But I am here to remind you that, as Psalm 93:4 says, "**The LORD on high is mightier than the noise of many waters, than the mighty waves of the sea!**" We will all do well to remember that. We will also do well to live possessed by the truth of this matter, for the final verse of that Psalm reminds us

that God's word is "more solid than the Rock of Gibraltar," to use the expression.

Many say in mockery and/or in anger, that God should get His wellies on, and help all of us "**flood**" victims. Many such persons need to make up their minds, for they usually live, talk and act as if they want God to go away and leave them alone. Be sure, God has often stuck around and helped where He has not been wanted.

Man cannot even understand *himself!* We don't understand why we do or say some things, not to mention why *others* do likewise. Man rages on the road, in car parks...and toward heaven. Man goes to the *other* extreme, as well, laughing at everything "**under the sun**," while standing in the rising **flood** waters. They are as unmindful of everything **OVER the sun** as our pet rabbit would be if it had a winning lottery ticket stuck in its hutch by one of our animal-loving friends. It might nibble it or ignore it and let it become soiled bedding, but it won't cash it in. What about **YOU?**

The only way to **truly survive** amidst "*the noise of many waters*" is by a life of holiness (v.5b); in union and communion with God...on *His* terms. We are supposed to be the "house;" the "dwelling place" of God. Some people may not appear to be **living**, but **just existing**. Yet, this is the very same for *all* who refuse to have their "house" re-decorated with the wall-to-wall carpet of God's holiness. God demands it, but He has also provided the *means* to obtain and enjoy it. In fact, just prior to the Crucifixion, Jesus prayed *specifically* that we might all possess and display this definite work of God within. (See Jn.17).

Yes, God demands *IT*, and Jesus prayed for *IT*, but that "*IT*" is a *Person!* If God is to be central in our lives, then His Holy Spirit will be involved in our lives from **conviction** of sin to **consummation** in heaven, with **conversion** and **cleansing** in between! Yes, there is also **conflict**, but as the prophet Isaiah assures us, "*When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him!*" (59:19 KJV). In Rev. 12:5, we see the devil sending out such a **flood**, but God makes the earth to open up and swallow it. God can *cause* earthquakes (for His purposes, e.g. Num. 16:30ff; Matt. 27:51; Acts 16:26), or *use, allow* or *stop* them (Ps.76:10). We must leave that decision to *Him*. **He IS Greater Than the Floods!**
