The Ultimate Price

Gabriel L. Mancino

Stephen Stills, from *Crosby, Stills, Nash and Young*, had been with Young in *Buffalo Springfield*, a mid-1960s band. Their "Hit," "For What It's Worth," starts with the words that title this article, then adds, "What it is ain't exactly clear." This is happening today—something that "ain't exactly clear." The largely-controlled media aids in the lack of clarity, as it "dishes out" what the public sees and hears, and largely accepts to be true.

There's a flip-side to the coin, however. **Confusion has another side to it**, in that it is too often the result of rejecting...of refusing to walk in the unswerving ways of truth. Wilful turning from God's truth in its entire practical application will most certainly take individuals and nations into an far denser fog than they had expected. The Bible says that "God is not the author of confusion, but of peace" (1 Cor. 14: 33). That verse is found in a context that shows how Satan can come even into churches and bring confusion, as I mention in the front page article.

But, things do NOT have to be "not exactly clear" in your spiritual life! You and I may not understand everything that's "happening here," but we can know enough to please God, make it to heaven, and try to help as many others to do the same. If this is done in The Power of Pentecost (Acts 2), the general public, in a wonderful way, will wonder now the same as they did then: "There's something happening here," etc... and YOU, like the apostles, can supply the God-powered reply: "This is that which was spoken by the prophet, Joel!" (Acts 2—Read it all!)

As always in early November, we "Remember" soldiers that fell in battle in years gone by, and those of more recent times. It has often been said that they "paid The Ultimate Price" or "made the ultimate sacrifice." Passing swiftly, but not discourteously, from these who have been remembered, I must help us to "remember" that there is **The Most Ultimate Price of All**. Of this "Price," there are "two sides to the coin."

First of all, Jesus asked "What shall it profit a person if they gain the whole world and lose their own soul? Or, what shall a person give in exchange for their soul?" The answers are obvious. It is the greatest foolishness to hold on to the things of this world, yet forget or neglect the eternal welfare of the soul. This truth applies to the International "banksters" who want to control "the whole world," or to those who have little, and to all in between.

So, from the human standpoint, "The Ultimate Price," is not so much to lose your life for others in what should be "a worthy cause." It is rather to lose one's soul in Hell over foolish, empty, temporary things of this present world. **THAT is an awful Price!**

But God also paid "The Ultimate Price." He did so when Jesus came and gave His life for all of us lost sheep—lost in sin by birth and by choice. One song says "He to rescue me from danger interposed His precious blood." "Interposed" means "stepped in." Christ's birth was God stepping in! "God so loved the world, that He gave" "The Ultimate Price!" (Jn. 3:16).

ARE YOU SURE CHRISTMAS IS COMING? Just as surely, Jesus is coming AGAIN! When He came to earth the first time, many would not listen, follow, accept, obey. Even before... even with the best of Old Testament prophets, most people would not listen...refused to listen. They wanted their idols...like today. People who seek after vain, empty idols make themselves easy targets for take-over, & that is exactly what has been happening, as I've tried to describe in this issue. People assume they are free, but are simply being given enough rope to play for a while. The Mighty Mafia of the IMF, World Bank, Bilderbergs, UN, EU, NATO & all their associates will show their muscle & arrogance, violating national sovereignties, until God stops their game...& yours. Then it is too late to say "Oops!" or "Sorry!" ARE you listening? Then act!

"A Plant of Rapid Growth"

"Where the Spirit of the Lord is, there is liberty...from one degree of radiant holiness to another!" (2 Cor. 3:18) GLM

The Devil counterfeits the works of God so that the masses may be deceived. He also confuses the ways of God that the masses may be detoured. Furthermore, and perhaps finally, Satan competes with the will of God, so that the masses may be damned. This has always been the case, and never more than at the present. Satan even went to that final extreme with Jesus, when in the Wilderness Temptation, he offered Christ all the kingdoms of the world (as they were under his sway) IF Jesus would bow down and worship him! Don't be fooled.

George Washington, pictured above from the US dollar, said: "Liberty, when it begins to take root, is a plant of rapid growth." Yet, the very word and concept of "liberty" has become utterly distorted; perverse. True liberty comes at a great price, but, believe me, so does false liberty!

The devil doesn't tell you that last part! "Democracy" and "Liberty" are words that have become threadbare with use, like "Weapons of Mass Destruction" of some years ago. I am waiting for that other overused word, "terrorist," to be joined to another word, to make the label "Christian terrorists!" The ongoing campaign to "liberate" nations is another Satanic false flag fraud. God sees it and waits.

George Washington's associate, Benjamin Franklin, stated that the main cause for the American Revolution was that the English colonies were being forced to use money from the Bank of England at interest, though the colonies already had a very workable interest-free currency they printed called Colonial Script. Franklin said that the person who sacrifices liberty for security deserves neither. A false security!

Yet, the greatest freedom in the world is freedom from sin. Such liberty is the only thing that can rid an individual or nation of practices and influences that deteriorate and damn. Mark it down—Satan will fight such freedom more than anything else, for this powerful plant of rapid growth is ordained of God to destroy the many tentacles of Satan's work on earth. Christ sets people "free indeed!" (Jn. 8: 32-36).

THE SHEPHERDS HURRIED WHEN CHRIST CAME THE FIRST TIME! The Bible says much about shepherds and sheep. Jesus said His sheep know His voice & follow Him (Jn. 10). Are you one of His sheep? If so, then you obey & follow Him, gladly. Those shepherds were fast to obey the voice from heaven to see Christ for themselves. The were equally fast to tell the news everywhere they went. We MUST do likewise! A song says "I am resolved no longer to linger, charmed by the world's delight. Things that are higher, things that are nobler, THESE have allured my sight! I will hasten to Him...glad & free!" HURRY! GO!

To Conquer ALL Kingdoms

over the world. *Many of these wars were started by deception and outright lies. Therefore, and only speaking from an earthly standpoint,* these wicked people... *whoever and wherever they are...* should be hunted down in a united manner, *by the governments, not the citizens.* No person or group that has enslaved people so globally for so long should elude justice any longer. The poodle-puppet governments, controlled by these bankers should cease "poodling" immediately, and get to God.

Bin Laden or **Gaddafi** only have or had one life—"Funny" if they are still alive, like actors in violent films! Too bad, if their "part" was over. YES, the **Twin Towers DID** go down (& 1 nearby), in the same, controlled-demolition way that took a long time to prepare. The people behind that enormous fraud and other atrocities for generations, have also falsified *other* world crises. Therefore, they should be "brought to book," and not let off by slick lawyers or corrupt and cowardly politicians.

Actually, these people **WILL** be brought to book— *God's Book!* Believe me, there are no flaws in God's records or His knowledge and analysis of the facts. Peoples' lack of belief in God, or lack of the fear of God does not eliminate God's existence or power. There will be a **Great Judgement**, but no **Great Escape...for anyone!** The Bible says "And I saw the dead, small and great, standing before God, and books were opened. And another book was opened, which is the Book of Life. And the dead were judged according to their works, by the things which were written in the books" (Rev. 20:12,13). "Works"—good or evil—receive "wages."

Have you prayed "The Lord's Prayer? One part says "**Your kingdom come, Your will be done, on earth as it is in heaven.**" If you pray that *and mean it*, you must allow God full sway in your entire life. If not, then *whoever* you are, you *too*, resist, rebel and labour daily to overthrow God's right to rule. Some do it by active intent, while others by passive "*folding of the hands to sleep*" in neglect and carelessness (Prov. 6:6-11; 24:30-34). All the while, **the King is watching.** "*Awake to righteousness, and keep yourself from sin*" (1 Cor. 15:34).

GUY FAWKES and friends in their ill-fated "Gunpowder Plot," were *small fish!* They merely tried to blow up The House of Parliament. There are *others* who have *steadily* and *stealthily* worked to bring **ALL** kingdoms and powers under *their* control. Their ambition is in direct conflict and competition with God. Revelation 11:15 says "*Then the seventh angel sounded; and there were loud voices in heaven, saying, 'The kingdoms of this world have become the kingdoms of our Lord and of His Christ, and He shall reign forever and ever!'*"

These global megalomaniac strategists plan not only to take the reigns of power from *earthly* national leaders, but *also* from **God!** **God will laugh** as they attempt to "gang up on Him." Actually, He will do more than laugh (see Psalm 2). Psalm 2 shouldn't amaze me as it does. You see, even to such evil strategists as these, we see God calling in mercy, *to repent!* *Some* people declare that "the God of the Old Testament" is harsh and horrible! They should read the **MANY** glorious *Old Testament* verses in which God is seen reaching out in love and mercy to the most hard-headed and hard-hearted people on earth...and it's not just to the Jews, though they qualify, as well!

Like the front page article says, Satan tries to counterfeit God's ways and works. The goal mentioned above is one of his *grand* counterfeits. They want world power and control *now!* Yet, *every* person that refuses to hand over total control of his/her life to God is on the same path as these global architects...and they will go to the same place in eternity: Hell.

What should be done to the "bad guys..." the International bankers and all their collaborators? Can we find them? Where are they? In the first place, don't worry, God **WILL** *thoroughly* deal with them. For generations, these strategists have been core planners-funders of wars all

St. Paul's Tents

...if they remain!

Gabriel L. Mancino

The media has great ability to spread false reports, especially when it gets near "The Golden Calf:" the global economy. Much that has happened since 9/11 (*and even before*) which may *seem* "political," is linked to global economic control, and along with it, military and industry control.

To call the "St. Paul's protesters "**anti-Capitalists**" is *purposely* misleading. Capitalism was hijacked generations ago by the International bankers. Their 1913 "creation," The Federal Reserve, is an evil body linked to similar bodies in the world with a global plan that is anti-God **AND** anti-man... but masquerades as Capitalism.

Let's get back to the **tent protesters.** **Thermal imaging** supposedly "proved" that most protesters abandoned the cause for comfort at nightfall. Let's quickly make a spiritual application here as follows:

St. Paul, the apostle, spoke of our *bodies* as a **tent**, as well as a *temple*—intended to be the temple of God and indwelt by His Holy Spirit. Stern warning is issued to those who "*defile God's temple!*" (1 Cor. 3:17). Only God can perfectly see and know what resides in a person's "**tent**" or "temple"... but be sure, He *sees* and *knows*, and needs no thermal imaging to help Him.

So, the St. Paul's "tentsters" were allegedly not truly dedicated to their cause. Once again, I apply this to the greatest **tent** and temple dwellers of all: the *professed* followers of Jesus Christ! Have you abandoned the greatest Cause on earth through personal comfort, cowardice or covetousness? We abandon the *Cause* because we have abandoned the *Christ*—oh, not by *label*, but *libel*... in *works*, as Paul says (Tit. 1:16).

The St. Paul protesters were said to be "Christians." In fact, the group is made up of those of various religions, as well as atheists, I believe. But no "**tent-dwellers**" will impress God with their personal label. A **tent** with a religious label that merely covers spiritual deadness, is a mockery OF

God and an abomination *TO* God.

One tent-dweller can hinder a whole nation. Is it *you?* That is what the disciples asked Jesus at "The Last Supper:" "*Lord, is it ME?!*" Betrayal. In Israel's ancient history, that **one, trouble-causing tent dweller's name** was Achan (Josh. 7:21). How many Achans now live and work in Britain? **BUT**, one Achan that *repents*, and does what he or she *should* do, could help turn this nation away from self-destruction and back to God, *Who is its only true Hope.*

Oh, Achan! God had given specific orders not to take anything from the city of Jericho when they had defeated it at God's command. But listen to what Achan finally confesses: "*I saw...I coveted...I took...I hid it under my tent.*" What was he talking about? The sparkling things of this present world! They looked so attractive, but cost him his life and the life of his family, having first hindered the whole nation.

What are **some lessons** in this? 1) Achan thought he could get away with it undetected. 2) He thought that his thievery and disobedience would not hurt anyone else. Both of these points are seen in the lives of the vast majority of people...and I *also* mean *religious* people...including professed evangelicals.

The main point is: What is in *your tent*?! The answer may refer to the things of this present world that one desires, seeks and/or accumulates. It could refer to "*the hidden man of the heart*" (1 Pet. 3:4), which may now be full of worldly pollutions. *Inward* or *outward*, it is *your tent*...*my tent*. We had better make sure that we construct it "*according to the pattern*," as God repeatedly told Moses to do when making the **Tent** of Worship in the wilderness (Exo. 25:40; Acts 7:44). We are not "free" to customise our **tent** to suit ourselves. Yet, in a way, we **ARE** free to customise it. But be sure, the end product will be put to greatest test of all, at the Judgment.

Meanwhile, like Achan, *your tent* affects the **tents** of others, for "*no man lives to himself, and no man dies to himself*" (Rom. 14:7). Our lives point people toward heaven or hell. If we do not obey God "*according to [Christ], the Pattern*," (1 Pet. 2:21-25), then we are helping people to go to hell, no matter how nice our **tent** appears to be.
